The sure cure for "homework block"

You know the feeling. You have a writing assignment due tomorrow, but you can't decide what to write about. Or you've written the first few sentences, but you can't decide what comes next. The more you worry, the worse it gets. Time is running out. The pressure is mounting.

Homework Writer to the rescue.

Homework Writer takes the worry out of writing assignments. Need a writing topic? Visit the Idea Bank. Need some help organizing the assignment? Try the Outline Organizer. Ready to turn your outline into a first draft? Use the Compose word processor.

The Idea Bank provides ideas and topics for all sorts of writing assignments. Then the Outline Organizer helps you organize your ideas into an outline that's perfect for more than ten different types of writing: essays, stories, book reports, science reports, business letters, and more. Once you have an outline, you're ready to write your composition in the Compose word processor. The word processor makes it easy to type, revise, and print perfect assignments. You can even split the screen and review your outline as you write!

Homework Writer is the complete writing assistant from Scholastic—the leader in helping students write for more than 65 years.

Objectives:

- To stimulate ideas and topics for writing projects.
- To organize outlines and drafts for four key types of writing: essays, stories, reports, and letters.
